

4081 E Olive Road, Suite A  
Pensacola, FL 32514

Robert Cole, Chair

Thank you for your interest in sponsorship,

On behalf of the Bay Area Resource Council (BARC), I would like to invite you to make a difference in the community by sponsoring the 28th annual BARC Environmental Symposium, to be hosted by the University of West Florida on April 27th, 2015. The purpose of the symposium is to educate participants about the importance of watershed management and protection.

The science presented at this event will not only benefit the participants but the community as a whole, and your donation will help further achieve our goal to educate the public about important environmental issues. This year's symposium will commence around the one year anniversary of the devastating flood that impacted the Pensacola Bay area and will highlight local storm water management efforts such as, Low Impact Developments (LID), the FDEP Basin Management Action Plan (BMAP), and the Escambia County National Pollutant Discharge Elimination System (NPDES).

Your generous donation will be publicly acknowledged at our event through promotional announcements, and through other specific benefits you may receive depending upon the level of sponsorship. [View our sponsorship opportunities online.](#)

Your charitable contribution will be accepted by the Partnership for Community Programs, the 501 (c)(3) partner of the West Florida Regional Planning Council that staffs the BARC. To learn more about our group or our event, please visit our webpage [www.wfrpc.org](http://www.wfrpc.org). Event contact is Ms. Traci Goodhart, who can be reached at 850.332.7976 ext 222 or [traci.goodhart@wfrpc.org](mailto:traci.goodhart@wfrpc.org).

Thank you for your support!

Best Regards,

A handwritten signature in blue ink, appearing to read "Robert Cole".

Robert Cole, Chairman
