

2040 Long Range Transportation Plan Update

Goals and Objectives

April 21, 2016

ATKINS

PURPOSE OF THE LRTP

- ▶ Blueprint to maintain and enhance our regional transportation system
- ▶ Consider current needs and forecasted future growth
- ▶ List of multi-modal transportation projects to be funded through 2040 (cost feasible)
- ▶ Maintain currency by updating every five years to consider changes in growth and travel patterns

* *Current 2035 LRTP was adopted in March 2012*

Plan

Goals and Objectives

- ▶ The LRTP Steering Committee has met on two occasions to develop and review the Goals and Objectives for the 2040 LRTP.
- ▶ Goals and Objectives serve as the guiding principles of the plan.
- ▶ They will help determine the projects that are ultimately included in the plan.
- ▶ Will be the basis for developing the project evaluation criteria

Goals and Objectives

- ▶ The goals and objectives considered the following:
 - ▶ The Eight Planning Factors in MAP-21
 - ▶ The Emerging Issues that have been Identified by FDOT and FHWA
 - ▶ The six Planning Goals included in the Florida Transportation Plan (FTP)
 - ▶ Transportation related Goals and Objectives found in local Comprehensive Planning Documents

Vision and Mission Statements

Vision Statement: Our vision is to provide a high quality, safe, efficient, and cost-effective multi-modal transportation system that enhances economic vitality, military missions, and quality of life while protecting the environment and promoting efficient system management and operation.

Vision and Mission Statements

Mission Statement: To preserve and enhance transportation systems that are safe, efficient, socially and environmentally responsible, technologically advanced, financially constrained, coordinated with land use patterns, and allow for modal choice.

Goals

- ▶ Goal A: A transportation system that is safe and secure.
- ▶ Goal B: A transportation system that is user-friendly and maximizes mobility.
- ▶ Goal C: A transportation system that provides for the effective movement of goods and people.
- ▶ Goal D: A transportation system that supports a high quality of life respectful of the environment, public health and vulnerable users.
- ▶ Goal E: A transportation system that is multimodal, integrated and connected.
- ▶ Goal F: A transportation system that is maintained and operated efficiently.
- ▶ Goal G: A transportation system that includes consistent, continuing, cooperative and comprehensive planning processes.

Objectives

- ▶ Included in the report are the objectives that will support the goals.

QUESTIONS

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side of the slide, creating a modern, layered effect. The rest of the slide is a plain white background.

Action Requested

- ▶ Approval of Resolution O-W 16-08 Adopting the LRTP Goals and Objectives.
