

Danita Andrews

Greater Pensacola Chamber of Commerce

Danita has served as the Director of Business Development Greater Pensacola Chamber of Commerce since August, 2012, has primary responsibility for implementing an aggressive business attraction, recruitment and retention strategy, relocation and expansion. She has located and expanded target industry sectors in the Greater Pensacola area. Danita serves as an Ex-Officio member of the Century Chamber of Commerce and is serving on the steering committee for the development of the Town of Century's Economic Development Plan. She pursued and successfully obtained a \$400K US EPA Brownfields Grants for assessing economically distressed areas and preparing for community revitalization and redevelopment. Danita has been actively engaged in economic development on the statewide level. She previously served on the Northeast Florida Regional Council as Gubernatorial appointee for Enterprise Florida, the state's public/private partnership for economic development. Prior to joining the Greater Pensacola Chamber, Ms. Andrews served as Vice President of Economic Development with the Clay County Chamber of Commerce and Clay County Development Authority.
