Subject: Agency Regulatory Plan – West Florida Regional Planning Council

Dear Mr. Plante:

Section 120.74, Florida Statutes, requires all agencies to prepare a new agency regulatory plan each year. The required elements of the plan for West Florida Regional Planning Council are as follows:

- a. No laws were enacted or amended during the previous 12 months.
- b. No new laws are expected to be implemented by rulemaking before the following July 1.
- c. There is no desired update to the prior year's regulatory plan.
- d. The Council Chairman, Executive Director, and Council Attorney certify that they have reviewed this plan and the agency regularly reviews all of its rules. The existing rules were most recently reviewed in association with preparation of this report. The existing rules were determined to remain consistent with the agency's rulemaking authority and the laws implemented.
